NARRATIVE

ICV and Body Worn Camera were active during incident. The following narrative is intended to serve as a summary of the incident. For additional detail/ or exact quotes please refer to said recordings.

On 9/15/2022 at approximately 0154 hours I was working uniform patrol as 3E3 in a fully marked patrol vehicle. I was dispatched to 903 Union st to investigate a fight call. The dispatch remarks were as followed “4 PEOPLE IN PHYSICAL FIGHT IN PARKING LOT”.

During the course of the investigation, Officers contacted three subjects. The victim was identified as Strand, Jeffrey, W who is a resident of 903 Union. One of the suspects was identified as Swift, Cory, D who was with his partner identified as Rogers, Nycole, M.

Strand was escalated and explained that he is sick and tired of all the stolen vehicles that end up in his neighborhood. Strand believed that Rogers and Swift were in a stolen vehicle and confronted them stating they were not allowed on the property. Strand also informed officers that he was armed with pepper spray and had it in his left pocket. I could see that Strand had physical injuries on his right elbow and left hand. Strand did not want to be seen by the Seattle Fire department.

Strand went on to show officers video of the verbal altercation between himself and Swift. In the video you can see Swift and Rogers standing next to the vehicle that Strand believed was stolen. In the video you can hear Swift telling Strand “I will beat your ass if you spray me”. Swift also told Strand
I will beat your ass you Nigger”. When I asked Strand if he believed the threats were made because of his perceived race Strand stated no. Strand thought that Swift was only threating him out of anger not because of race.

Strand stated that he was assaulted but it was not Swift or Rogers. Strand stated that someone else inside the apartment building came towards him. Strand stated that the suspect told him you guys are making too much noise. Strand was later shoved to the ground where he received his injuries. Strand did not know the suspect or any descriptions of the suspect.

Officers contacted Swift and Rogers who informed officers that they are currently homeless. Rogers explained that they are dropping off their children to her grandmother who she identified as Green, Penny, L. Rogers stated that the vehicle they are driving are in Green’s name and that she live in apartment 711. Officer ran the suspect vehicle, and it did come back to Green and had the correct address.

Swift and Rogers stated that they did see the assault take place and that it was someone wearing a brown beanie. They could not identify the suspect.

Given that it appeared that Swift was in fear for his family safety I did not arrest him for the threats he made.
